Registration fees:
€350.00 Physician both days
€250.00 Physician Friday
€150.00 ERUS Junior Special Price

*The information provided during the master class hands-on session is not intended to substitute official Intuitive Surgical certificate training.

Single-Site™ Instrumentation for the *da Vinci*® *Si*™ System has CE Mark and is FDA cleared for cholecystectomy.

Intuitive Surgical does not provide clinical training nor does it provide or evaluate surgical credentialing or train in surgical procedures or techniques. As a result, Intuitive Surgical is not responsible for procedure descriptions. This material presents the opinions of and techniques used by the above surgeon(s) and not those of Intuitive Surgical. The clinical information and opinions, including any inaccuracies expressed in this material by doctors about *da Vinci* Surgery, are not necessarily those of Intuitive Surgical, Inc. Depiction of third-party products does not imply any endorsement regarding safety, efficacy, or indicated use. Before performing any *da Vinci* procedure, physicians are responsible for receiving sufficient training and proctoring to ensure that they have the skill and experience necessary to protect the health and safety of the patient. For technical information, including full cautions and warnings on using the *da Vinci* System and third-party products, please refer to the product manual. Read all instructions carefully. Failure to properly follow manufacturer's instructions, notes, cautions, warnings and danger messages associated with equipment used may lead to serious injury or complications for the patient. While clinical studies support the use of the *da Vinci*® Surgical System as an effective tool for minimally invasive surgery for specific indications, individual results may vary.
